

Girls, Fathers Help County Plant Trees

Several Webster residents were among 55 persons who helped plant 2000 trees and shrubs in the Town of Sweden's Northampton Park last Saturday. Lynne Buccel, Paul Buccel, Cindy Buccel, Art Behringer and Ann Behringer participated in the conservation project sponsored jointly by the Rochester-Monroe County Council of Camp Fire Girls and the Monroe County

Department of Parks. Saturday's outing was the second in a series of four work sessions attended by the Camp Fire Girls and their fathers. Two additional shovel-and-pail sessions remain, both on Saturday mornings. Interested Camp Fire Girls are urged to contact the Council office for time and directions.

Complaints Drop For Police

The number of complaints dropped sharply last week for the Webster Police Department as the Halloween season ended.

On Monday a group of teenagers were asked to leave when they were found camping in Webster Park, four tires were slashed on a truck at LeFrois Foods, a three-quarter length green suede coat was taken from Xerox, sunglasses were taken from a village bank, kids were reported playing ball in the road on High Vista Trall and a San Ron Drive woman told police that someone threw rocks at her car, breaking the windshield, when she was travelling on the eastern entrance ramp to the expressway at Bay Road.

On Tuesday a bulky knit blue and white tweed ski sweater was reported stolen at Empire Lanes, a loose cow was reported on Ridge Road near Basket Road, kids black spray painted obscenities on classroom doors and on outside rear windows at St. Rita's School and boys were seen by three different persons throwing apples in the area of the expressway, Gravel Road, Bay Road and Ridge Road.

A High Vista Trall resident reported on Wednesday that an old car was traveling in the area with a passenger checking parked car doors, a possible prowler was reported on Wintfred Drive, a stray wren was found in a Beechwood Crescent cellar but it flew out an open window, a London Fog coat was taken from the Heritage House, a black purse with \$140 in it was taken from a laundromat, kids were reported shooting off fireworks in the Sharon Court area and a Fairmont Drive resident told police that a small sports car was racing at high speed in the area.

The only report for Thursday came from Blue Spruce Drive, where someone had broken into a basement and took a tape recorder.

Friday saw a wallet taken from a truck parked in a Tara Lane driveway, a Shoecraft Road man told police that someone took a portable T. V. out of his unlocked car at Webster Plaza and boys were reported on Gravel Road near the expressway bridge.

On Saturday a complaint came in from Country Manor Way Apartments that kids were unruly and drinking, but none were found, two suspicious vehicles were seen near a barn on Maple Drive and a call came in from Empire Lanes that boys were using foul language. A patrol talked to the boys and they stated that there would not be any more problems.

There were seven accidents in Webster last week, but only one caused a driver to be taken to the hospital. On Thursday at 1:15 a.m., Paul R. Bell-Isle of 440 Sall Road, Webster, ran off the road while travelling east on Ridge Road near Hard Road. He was taken to Highland Hospital with head and leg injuries. The driver reported that he had been drinking and had fallen asleep.

TREE PLANTING SESSION - Camp Fire girls and their fathers who participated in a conservation project at Northampton Park in the town of Sweden are shown during one of their two afternoon sessions.
